STATE CONTRACTORS BOARD

To Whom It May Concern:

I am writing to express my support for ThrivePoint Academy Nevada. As a state agency, we are in support of the mission of ThrivePoint Academy, believing that this new charter high school will have an immediate positive impact on our local community.

As a free public school, ThrivePoint Academy will provide an educational choice to families, designed to support students through its personalized approach to their educational experience, emphasizing credit recovery, mastery-based learning, and access to caring staff that prioritize the needs and goals of each student.

I support the approval of ThrivePoint Academy Nevada to serve students in our community. I value the mission and approach of the school and would be pleased to see this as a school of choice in our community.

Sincerely,
