Dear Rebecca Feiden,

As President and Chief Executive Officer of the Boys & Girls Clubs of Southern Nevada (BGCSNV), and provider of after-school services for youth ages 6-18, I support ThrivePoint Academy's mission to support students through a personalized educational experience, emphasizing credit recovery, mastery-based learning, and prioritizing the needs and goals of each student. Credit-deficient students coping with full-time employment and parenting responsibilities require flexibility to achieve their academic goals. We have initiated a partnership conversation to provide out-of-school-time childcare to fulfill their family needs while they pursue their graduation progress.

I support the approval of ThrivePoint Academy Nevada to serve students in our community. From the information I have reviewed, they will be an incredible asset for our workforce development future.

Sincerely,
