To Whom it May Concern:

Please accept this letter as my support for ThrivePoint High School, a new free public charter school that will open its doors in southern Nevada. I really admire this school's ability to focus on student success coaches and workforce preparation programs for our area youth. It is exactly what our community needs.

ThrivePoint High School's commitment to ensuring that every student has the support they need to succeed is inspiring. This school is providing students with the tools they need to succeed academically and professionally. I believe that ThrivePoint High School will be an invaluable resource for our community, and I look forward to seeing its positive impact on students.

Sincerely,
