To Whom It May Concern:

I am writing to express my support for ThrivePoint Academy Nevada serving as Chief Operation Officer of Edmentum, an educational learning technology provider serving Nevada schools and schools across the country. We support the mission of ThrivePoint Academy, believing that ThrivePoint Academy will have an immediate positive impact on the local community.

As a free, public charter school, ThrivePoint Academy will provide an educational choice to families, designed to support students through its personalized approach to their educational experience, emphasizing credit recovery, mastery-based learning, and access to caring staff that prioritize the needs and goals of each student.

I support the approval of ThrivePoint Academy Nevada to serve students in the community. I value the mission and approach of ThrivePoint Academy and would be pleased to see a school of choice in the community.

Sincerely,

Ryan Hagedorn
