To Whom it May Concern,

It is my pleasure to provide this letter of support for ThrivePoint High School. I had the pleasure of opening the first charter school in North Las Vegas, The 100 Academy of Excellence, so I know first-hand how important charter schools are in our quest to ensure academic enrichment and success for all students.

ThrivePoint Academy serves students at risk of dropping out of school living in underserved communities. ThrivePoint's mission is aligned to Nevada's workforce and economic development priorities by assisting students by providing career readiness training, workforce partnerships, job training and youth apprenticeships so that students can be excited about their future and become leaders of this community. As a business owner and community leader myself, I am wholly invested in setting our students on the path to excellence.

Thank you for your time and consideration, I look forward to the opening ThrivePoint High School during the '24/'25 academic year.

Sincerely,
