To Whom It May Concern:

I am writing to express my support for ThrivePoint Academy Nevada. As Southern Nevada's Local Workforce Development Board, Workforce Connections supports the mission of ThrivePoint Academy, which is "Preparing Students for a Successful Future." Accordingly, we are confident that ThrivePoint Academy will have an immediate positive impact on our local community.

As a free, public charter school, ThrivePoint Academy will provide an educational choice to families, designed to support students through its personalized approach to their educational experience, emphasizing credit recovery, mastery-based learning, and access to caring staff that prioritize the needs and goals of each student.

In alignment with our own mission, "Connecting Employers to a Ready Workforce," we look forward to collaborating with ThrivePoint to produce a pipeline of youth ready to enter the workforce.

In conclusion, I support the approval of ThrivePoint Academy Nevada to serve students in our community. I value the mission and approach of ThrivePoint Academy and would be pleased to see a school of choice in our community.

Sincerely,

Ricardo Villalobos
Chief Programs Officer
